

NEW YORK STATE ASSOCIATION of COUNTY CORONERS and MEDICAL EXAMINERS

FALL 2015 CONFERENCE

Dear Friends,

We are very excited to be holding our Fall Conference in Fairport and sharing a weekend together. As your Conference Host, I sincerely hope that you will attend the 'free' Friday night EDRS Workshop as described in my President's Message. If you are only attending the workshop, please fill out the appropriate form and send to the NYSACCME Office. If you are attended the workshop and conference, be sure to fill out both registration forms so we can plan accordingly.

See the Conference Registration Form for details on the three packages that are offered for the weekend.

NOTE: If a spouse or guest will be accompanying you for <u>meals for the weekend</u>, be sure to check off the appropriate area on the Conference Registration Form in order to accurately plan for meals.

I remind you that payment for conference weekend MUST BE INCLUDED with your Registration Form. ALL HOTEL RESERVATIONS ARE MADE by Susan Ernst in the NYSACCME Office. The hotel WILL NOT accept reservations for our event from individuals. Early registration is always encouraged as we have to release our reserved block of rooms by a certain date and in order for our registrants to receive the Conference Group Rate, we have to book the rooms by that date.

The costs of our conferences are a tremendous value for the information that is presented. I strongly urge you to invite your colleagues, co-workers, and other professionals you work with in your death investigations to attend this conference. If someone joins NYSACCME, they have a yearly conference cost savings of \$200! Why not pass a Membership Application on to someone who may benefit from being a member of NYSACCME?

Thank YOU for being a part of NYSACCME and attending the EDRS Workshop and our Fall 2015 Conference. I look forward to seeing you in Fairport...see you soon!!!

Fondly,

Scott

Scott M. Schmidt President-NYSACCME
